About Us

Med Arabia is a leading healthcare solutions provider specializing in medical gas systems, medical equipment supply, healthcare infrastructure solutions, and biomedical engineering services. We provide comprehensive, reliable, and compliant healthcare solutions for hospitals, clinics, laboratories, and healthcare facilities across Saudi Arabia.

From turnkey Medical Gas Pipeline Systems (MGPS) and healthcare infrastructure projects to advanced medical equipment supply, maintenance, calibration, and technical support services, Med Arabia serves as a trusted partner committed to enhancing patient safety, operational efficiency, and healthcare excellence.

Vision

To become the most trusted healthcare technology, biomedical engineering, and medical gas solutions partner in the GCC, empowering healthcare providers with innovative, reliable, and compliant solutions that enhance patient safety, clinical excellence, and operational efficiency.

Mission

To deliver comprehensive biomedical engineering services, medical equipment solutions, medical gas system solutions, regulatory compliance support, and technical expertise that ensure the safety, accuracy, and reliability of healthcare infrastructure. We are committed to rapid response, exceptional service quality, and long term partnerships that help healthcare facilities achieve the highest standards of patient care and operational excellence.

Our Services

Medical Gas Solutions

- ▶ Medical Gas Pipeline Systems
- ▶ Medical Gas Outlets
- ▶ AVSU (Area Valve Service Units)
- ▶ Manifold Systems
- ▶ Medical Gas Alarm Systems
- ▶ Medical Gas Plant Room Solutions

MEDICAL GAS ALARM & MONITORING SYSTEMS

Real-Time Monitoring. Instant Alerts. Total Safety.
Our alarm and monitoring systems continuously supervise medical gas networks and alert staff to any deviations, ensuring rapid response, regulatory compliance and the highest level of patient and facility safety.

- REAL-TIME MONITORING**
Continuously monitors pressure, flow and system status in real time.
- INSTANT ALARMS**
Visual and audible alarms for immediate notification of any abnormal conditions.
- ENHANCED SAFETY**
Helps prevent disruptions and ensures continuous supply of medical gases.
- USER-FRIENDLY INTERFACE**
Intuitive touch screen and remote access for easy monitoring and control.
- EASY INTEGRATION**
Seamlessly integrates with BMS, SCADA and hospital management systems.
- COMPLIANT & RELIABLE**
Designed and tested in compliance with international standards and best practices.

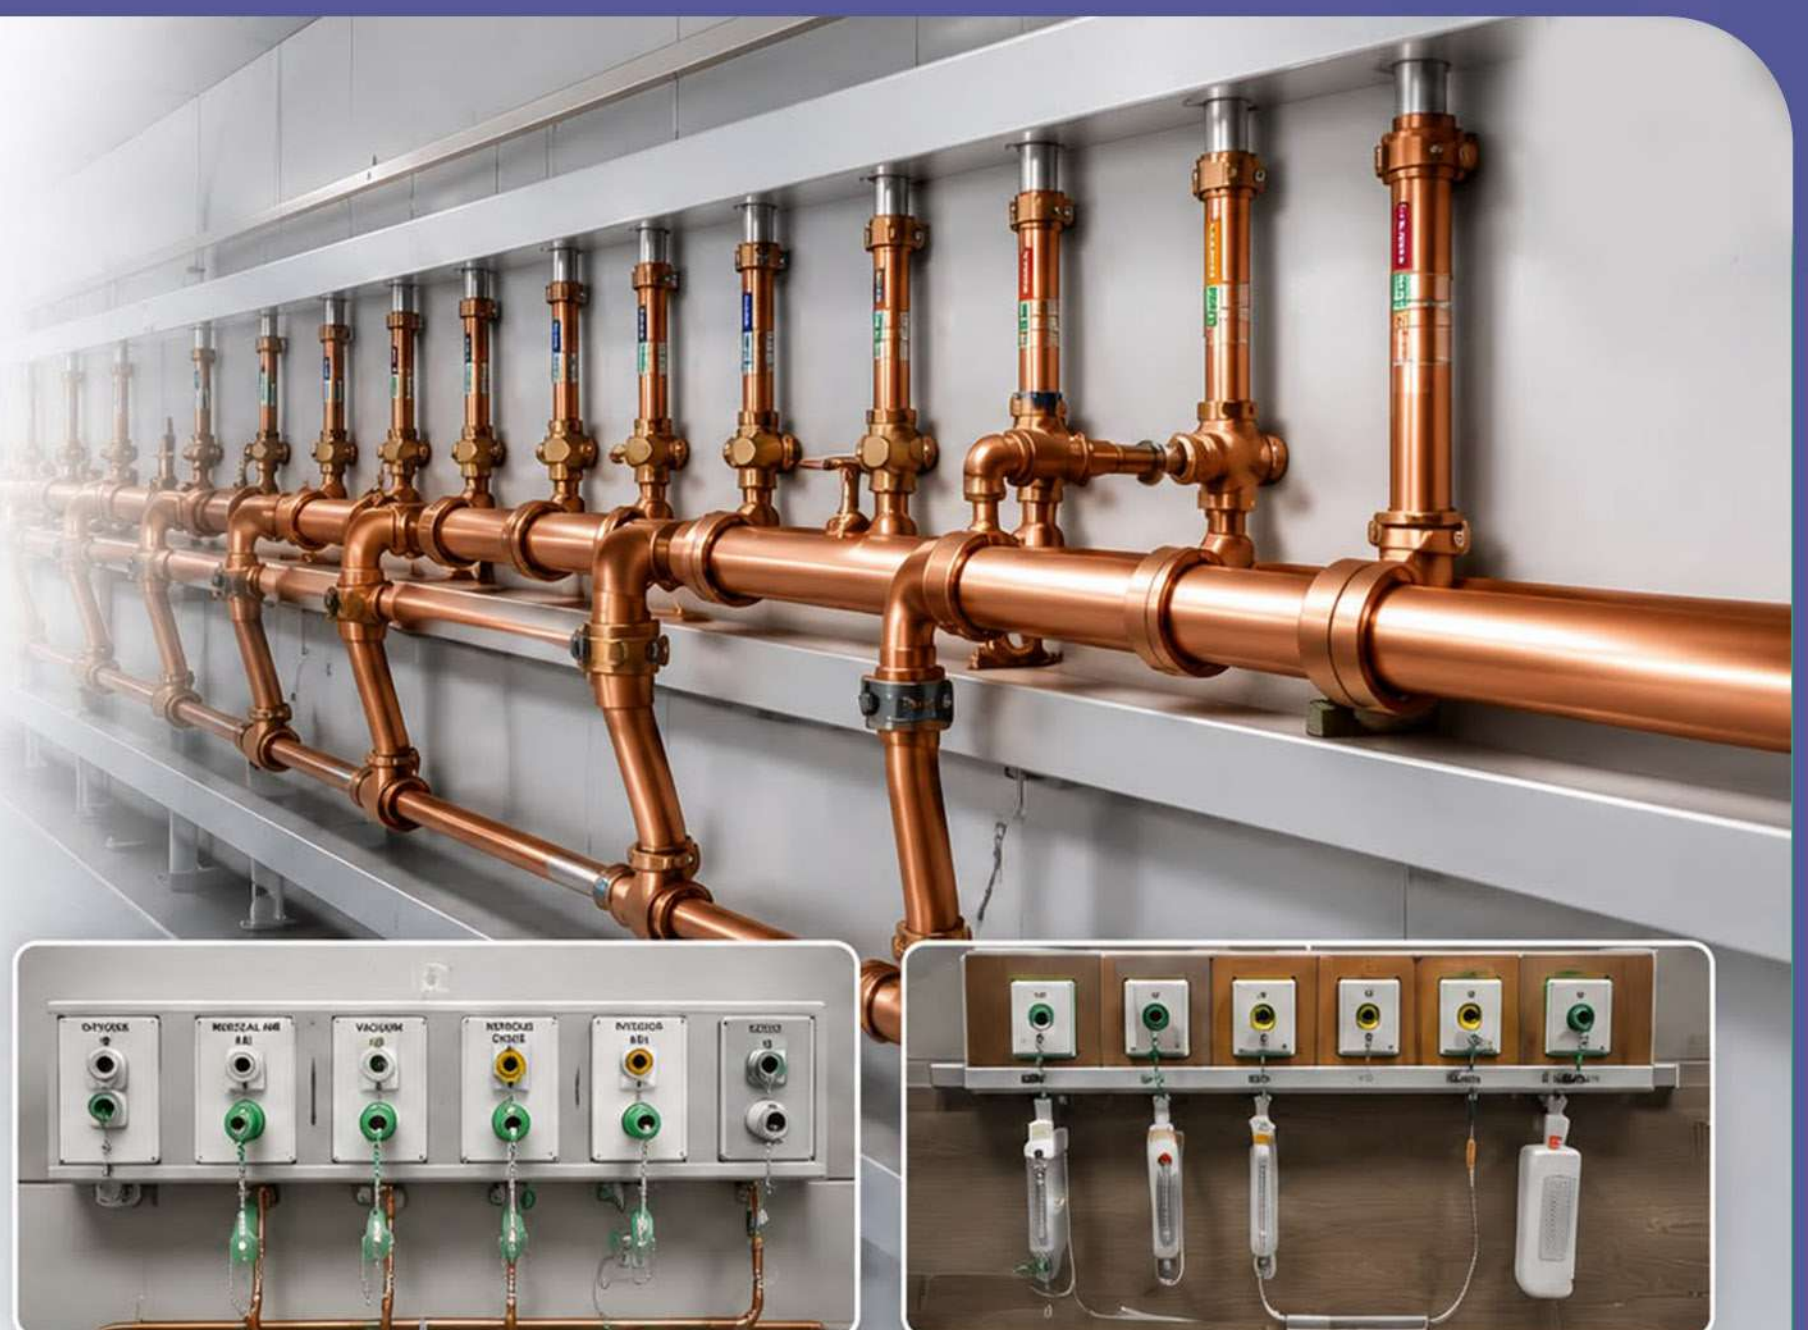

- COMPLIANCE & STANDARDS**
Our systems are designed and tested in accordance with global healthcare standards.
- NFPA 99 Health Care Facilities Code
- ISO 7396-1 Medical Gas Pipeline Systems
- ISO 13485 Quality Management Systems
- IEC 60601-1 Medical Electrical Equipment
- CE European Conformity
- Local & International Health Authority Regulations

CPX® MEDICAL GAS PIPELINE SYSTEMS

Precision. Safety. Reliability.

We design, supply, install and maintain medical gas pipeline systems in compliance with international standards to ensure uninterrupted supply of medical gases to every point of care.

- ✓ Medical Oxygen Systems
- ✓ Medical Air Systems
- ✓ Medical Vacuum Systems
- ✓ AGSS Systems
- ✓ Area Valve Service Units (AVSU)
- ✓ Bed Head Units & Pendants
- ✓ Medical Gas Alarm Systems

SAFE & COMPLIANT
Designed and installed in accordance with NFPA 99, HTM 02-01 and other international standards.

HIGH QUALITY COMPONENTS
We use certified materials and components to ensure long-term performance and safety.

EXPERT INSTALLATION
Precision engineering and professional installation for reliable and efficient system performance.

TESTED & CERTIFIED
All systems are tested, commissioned and certified to ensure complete operational reliability.

Our Services

Medical Equipment Portfolio

- ▶ ECORAY HF-525 Plus Digital X-Ray System.
- ▶ MEKICS MV2000 Intensive Care Ventilator

MEKICS
Intensive Care System

MV2000 INTENSIVE CARE VENTILATOR

Intelligent Ventilation. Compassionate Care.

ECORAY

MADE IN KOREA 🇰🇷

HF-525 PLUS DIGITAL RADIOGRAPHIC X-RAY SYSTEM

Precision Imaging. Confident Diagnosis.

High Image Quality
Clear and accurate imaging
for confident diagnosis.

User Friendly Operation
Intuitive interface for
smooth and easy workflow.

Advanced Digital Technology
High performance detector
with exceptional image clarity.

Reliable & Durable Design
Engineered for long-lasting
performance and safety.

HF-525 PLUS

Auto-Tracking Move System
Synchronized Movement
Automatic Collimation

Our Services

Calibration & Compliance Services

Ensuring healthcare facilities meet regulatory and accreditation requirements.

- ▶ Medical Equipment Calibration
- ▶ Performance Verification Testing
- ▶ Equipment Compliance Audits
- ▶ Calibration Certificates
- ▶ Biomedical Documentation Management
- ▶ CBAHI Accreditation Support
- ▶ Quality & Safety Documentation
- ▶ Risk Assessment & Equipment Evaluation

Biomedical Engineering Services

Reliable technical support to ensure maximum equipment performance and patient safety.

- ▶ Annual Maintenance Contracts (AMC)
- ▶ Preventive Maintenance (PPM)
- ▶ Corrective Maintenance & Emergency Repairs
- ▶ Equipment Installation & Relocation
- ▶ Acceptance Testing & Performance Verification
- ▶ Biomedical Asset Management
- ▶ Electrical Safety Testing
- ▶ Equipment Troubleshooting & Technical Support

Why Choose Med Arabia

- ▶ Medical Gas System Specialists
- ▶ Complete Medical Equipment Supply Solutions
- ▶ Expert Biomedical Engineering Team
- ▶ Fast Response & Technical Support
- ▶ CBAHI Compliance Support
- ▶ Cost-Effective Healthcare Solutions
- ▶ Reliable After-Sales Service
- ▶ Commitment to Patient Safety & Quality Care

Projects & Achievements

OUR COMPLETED PROJECTS

01 PRINCE MOHAMMED BIN FAHD HOSPITAL
Qatif, Saudi Arabia

02 DAMMAM MEDICAL COMPLEX
Dammam, Saudi Arabia

03 ENAYA HOSPITAL
Dammam, Saudi Arabia

04 TADAWI HOSPITAL
Dammam, Saudi Arabia

05 DAR AFIA HOSPITAL
Dammam, Saudi Arabia

06 ROYAL COMMISSION HOSPITAL
Jubail, Saudi Arabia

07 MOHAMMED AL-DOSSARY HOSPITAL
Al Khobar, Saudi Arabia

08 GAMA HOSPITAL
Dhahran, Saudi Arabia

09 AL-ZAHRA HOSPITAL
Qatif, Saudi Arabia

10 MATERNITY & CHILDREN HOSPITAL
Dammam, Saudi Arabia

BUILDING HEALTHIER TOMORROW TOGETHER

Med Arabia is committed to providing innovative and reliable healthcare solutions that empower healthcare providers and improve patient care

Innovative Solutions

Cutting-edge technology for modern healthcare.

Quality Assurance

International standards and best practices.

Timely Delivery

On-time execution with commitment.

Customer Satisfaction

Dedicated support for lasting relationships.

OUR ACHIEVEMENTS
